Good afternoon Rob,

Just checking to confirm that your client is still working on obtaining the documents I requested in the letter sent September 20, 2018. I understand that there have already been talks with the chapter 7 trustee about doing a 2004 exam once we have all have received the documents and had time to review them. I just checked and it appears that our deadline to object is 10/9. Would you be willing to agree to a 60 day extension of time for the Chapter 7 Trustee and the U.S. Trustee? Please advise if I have your permission to upload the attached AO extension. If not, please let me know and I will file a motion.

Thanks,  
Ben
